

Announcing the 3rd Annual Disability Community Resource Fair & Family Fun Day event. All are invited to support and attend this free event!

On Saturday, May 2, 2026, a dedicated group of volunteers will host the 3rd Annual Disability Community Resource Fair and Family Fun Day event at the Mechanicsburg Middle School in Mechanicsburg, PA from 10:00 am to 1:00 pm. The event will include family-friendly activities and a community resource fair featuring local service providers. The goal of the event is to help families discover and connect to local services in the area.

We are asking local businesses to support the event through monetary sponsorship or in-kind donations. In return, we will highlight your business on our Disability Community Resource Fair Facebook page, include your business on promotional materials and media advisories, and your business will be posted on a display at the event that highlights your support.

Attached please find sponsorship opportunities.

Best regards,
